SECTION I - INFORMATION REQUIRED FROM USER

Permission is requested to use the listed military airfield(s). It is understood and agreed that:

a. Except for weather alternate use or emergencies, I or my agent will contact each installation commander at least 24 hours prior to each landing for final clearance instructions. The remarks section of the flight plan will include user name and permit identification number.

b. When required, I or my agent will obtain diplomatic or overflight clearance when operating over international borders.

c. Commanders of military installations may restrict civil aircraft operations to preclude interference with military activities or to protect national security.

d. This permit does not necessarily entitle my aircraft to receive aviation fuel, oil, or other services from U.S. Government sources.

e. On-board personnel are not authorized activities except for purposes directly connected with this permit.

f. Use is limited to the listed aircraft, period indicated, purpose stated, and conditions shown, and is not transferable.

g. An approved copy of this permit must be aboard each aircraft using the military airfield.
