1 February 2002

MEMORANDUM TO ALL FLWG MEMBERS

SUBJECT: Aircraft Hourly Rates

1. In October 2001, National Headquarters updated CAPR 173-3 addressing Air Force funded missions, by allowing C-172 aircraft a \$30 maintenance reimbursement rate and C-182 aircraft a \$32 maintenance reimbursement rate plus fuel. In order to bring more in line the maintenance reimbursement policy for FL Wing with regard to C-182 and C172XP aircraft, this memo establishes a new rate policy for the C-172XP and C-182 aircraft only.
2. Effective 15 January 2002, the FL Wing aircraft maintenance reimbursement rate for C-172XP and C-182 aircraft will be \$34/per Tach hour for all B and C missions. The current reimbursement rate for C172 aircraft will remain at \$31/hour.
3. This policy will be made a part of FL Wing Supplement 1 to CAPR 66-1 when the supplement is revised.

A handwritten signature in black ink, appearing to read "Matthew R Sharkey". The signature is written in a cursive style with a large, sweeping initial "M".
